EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

1                   (c)     (1)     (i)     It is the goal of the State that students enrolled in public school  
2 shall meet the CCR standard before the end of the 10th grade and no later than the time  
3 the student graduates from high school.

4                   (ii)    It is the goal of the State that each student enrolled in public  
5 school, regardless of the student's race, ethnicity, gender, address, socioeconomic status, or  
6 the language spoken in the student's home, shall have equitable access to college and career  
7 readiness and shall meet the CCR standard at an equal rate.

8                   (2)    A student shall meet the CCR standard when the student meets a  
9 standard in English language arts, mathematics, and, when practicable, science that  
10 enables the student to be successful in entry level credit bearing courses or postsecondary  
11 education training at a State community college.

12                  (3)    The Blueprint for Maryland's Future and the CCR standard established  
13 under this section are not intended to alter the need for high quality programs and content  
14 in fine arts, civics, physical education, and other areas that are necessary to provide a  
15 holistic education and enable every student to be well-rounded and meet the CCR  
16 standard.

17                  (4)    On or before January 1, 2022, the Department shall develop and begin  
18 to implement a communication strategy to inform parents, students, educators, and the  
19 wider public about the CCR standard developed under this section.

20                 (g)    (1)   Subject to [paragraph] **PARAGRAPHS (2) AND (4)** of this subsection,  
21 [beginning in the 2023–2024 school year,] each county board shall provide all students who  
22 meet the CCR standard required under subsection (c) of this section with access to the  
23 following post college and career readiness (post–CCR) pathways, at no cost to the student  
24 or the student's parents **OR GUARDIANS**, including the cost of any fees:

25                 (i)    A competitive entry college preparatory program, chosen by the  
26 county board, consisting of:

27                   1.     The International Baccalaureate Diploma Program;

28                   2.     The Cambridge AICE Diploma Program; or

29                   3.     A comparable program consisting of Advanced Placement  
30 courses specified by the College Board;

31                 (ii)   A program that allows a student, through an early college  
32 program or dual enrollment at a student's high school and an institution of higher  
33 education to earn:

34                   1.     An associate degree; or

35                   2.     At least 60 credits toward a bachelor's degree; and

(iii) A robust set of career and technology education programs that are recommended by the CTE Skills Standards Advisory Committee and approved by the CTE Committee and that allow students to complete:

4                                   1. A credit or noncredit certificate or license program, course,  
5 or sequence of courses, including a program, course, or courses taken through dual  
6 enrollment under § 15–127 of this article, at a secondary or postsecondary institution,  
7 through an Advanced Placement course at a secondary institution, or through an  
8 apprenticeship sponsor that leads to an industry recognized occupational–credential or  
9 postsecondary certificate;

10                           2. A registered apprenticeship program approved by the  
11 Division of Workforce Development and Adult Learning within the Maryland Department  
12 of Labor; or

(2) (I) [Each] SUBJECT TO SUBPARAGRAPH (II) OF THIS PARAGRAPH, EACH public high school shall provide access to the programs described under paragraph (1) of this subsection through that public school or through another public school in the county.

23                           **2. A STUDENT WITH A FAMILY INCOME BELOW 400% OF**  
24   **THE FEDERAL POVERTY LEVEL SHALL BE PROVIDED ACCESS TO THE POST-CCR**  
25   **PATHWAY UNDER PARAGRAPH (1)(I) OF THIS SUBSECTION AT NO COST TO THE**  
26   **STUDENT OR THE STUDENT'S PARENTS OR GUARDIANS**

(3) (i) Each student who meets the CCR standard required under subsection (c) of this section shall be enrolled in at least one post-CCR pathway described in paragraph (1) of this subsection.

(ii) Each student who enrolls in a post-CCR pathway shall remain enrolled in the student's public high school.

35                   1. Personal, career, and academic advising; and

1                           2.     Counseling, in accordance with § 7–126 of this title, to help  
2 the student choose one or more post–CCR pathways, or courses within a post–CCR  
3 pathway, that fits with the student’s educational and career goals.

4                           (iv) Priority for counseling and advising services described under  
5 subparagraph (iii) of this paragraph shall be given to students who have not met the CCR  
6 standard by the end of 10th grade.

7                           (v) Any high school graduation requirements that a student does not  
8 meet by the time the student has completed the assessment required under subsection (d)  
9 of this section shall be provided within the post–CCR pathway the student chooses.

10                          (4) To phase in expansion of dual enrollment to maximize the number of  
11 students who can earn the maximum number of dual enrollment credits consistent with  
12 the phased increases in school funding, for fiscal years 2025 through 2027, the State Board  
13 and the Accountability and Implementation Board, in consultation with each local school  
14 system, may limit the number and types of courses that a student dually enrolled at the  
15 student’s public high school and at an institution of higher education may enroll in during  
16 the school year at the institution of higher education as part of the post–CCR pathway in  
17 accordance with paragraph (1) of this subsection and § 15–127 of this article.

18                          (5) (i) The State Board shall adopt regulations to carry out this  
19 subsection.

20                          (ii) The regulations shall include standards that:

21                          1.     Guarantee, to the extent practicable, statewide uniformity  
22 in the quality of the post–CCR pathways;

23                          2.     Meet the requirements of paragraph (1) of this subsection;  
24 and

25                          3.     Require high school graduation credit to be awarded for  
26 any programs administered in accordance with this subsection.

27                          SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July  
28 1, 2026.
